

REMARKS

Amendments to the Specification

The Replacement Sheets have been amended to comply with 37 C.F.R. 1.121(d). In particular, Replacement Sheets 1A through 1D have been amended to improve the legibility of the text. The Replacement Sheets are supported by Table 1 as originally filed in the specification. Therefore, Applicants believe these Replacement Sheets add no new matter.

CONCLUSION

Prompt and favorable consideration of the enclosed Amendment submitted herewith is respectfully requested.

Respectfully submitted,
